Focus area of PPG spending 2015-16

- Raising of students' self-esteem and ability to access more of the curriculum through use of scribes etc.
- Students able to access a wider curriculum more successfully because of improved numeracy and literacy levels.
- Students to catch up to where they are expected to be performing at.
- Students to be able to engage with written texts in order to be able to access exams.
- Students to be constantly challenged by receiving differentiated work that can be accessed independently because of the lack of peer group ability
- Greater % of parents attending progress review evenings/Annual review. GAP narrowed for young people receiving PP funding through greater levels of support/understanding from parents.
- Improved stability of students with mental health issues.

Measuring the impact of PPG spending

- All students' progress is tracked from Year 6 to Year 11 and is analysed half termly
- Within Y7 the 25% difference with English and Maths comprises 1 student who is monitored regularly.
- All Pupil Premium Students in Year 11 achieved external accreditation in at least Maths and English.
- Pupil Premium spending impacts on helping students to achieve National Expectations. Next year it needs to be targeted at helping students to exceed expectations
